

## YOU CULTIVATE US

Your membership impacts our mission. Whether you explore on your own, attend a special event, take a class, or delight in the Butterfly House, the Gardens on Spring Creek is ready for you. Every season at The Gardens brings unique botanical discoveries, a respite from everyday life, and a place to celebrate community, family, and nature's gifts.

Your membership is an active way to promote the conservation of our local flora in addition to bolstering support of native pollinators. Your support helps us to provide access to youth and adult educational programming, up close experiences with butterflies, special community events, and inspiring gardens to enjoy and engage with our natural world—today and into the future.

## GIVE THE GIFT OF THE GARDENS!

The Gardens offers something for everyone throughout the entire year. Membership with all its benefits is a wonderful gift for family, friends, colleagues, and neighbors. Share your garden love with those closest to you through the gift of membership.

## PLANNING TO TRAVEL? EXPLORE A NEW GARDEN FOR FREE!

Your Gardens membership card allows free admission to 320 other botanical gardens in the USA! To see a list of member gardens, visit [ahsgardening.org/gardening-programs/rap/find](http://ahsgardening.org/gardening-programs/rap/find).
